Financial Policy: As a courtesy to our patients, we submit insurance claims directly to your insurance company. It is your responsibility to make sure we have all the necessary insurance information, including complete address and identification numbers**. The insurance benefits quoted to us by your insurance company are not a guarantee of payment.**

Co-Pays: Your insurance company determines your co-pay. By law, we are required to collect this at the time of visit. Please be prepared to pay your co-payment at each visit. **We accept cash, check and credit cards (MasterCard, Visa and Discover only).**

Worker's Comp/Auto Insurance: For those patients who are Worker's Comp or Auto Insurance, we need the insurance company name, phone number, contact name, claim number and date of injury. We will also ask you for your personal health insurance information should Worker's Comp be denied or Auto Insurance become exhausted. You will be responsible for any unpaid charges.

Excluded or Non-Covered Services: Each insurance plan determines which medical services will be covered. Patients are responsible for those services not covered under your insurance plan.

Returned Check Fee: A returned check shall result in a $25 fee.

Delinquent Accounts: If your account becomes delinquent and is sent to a collection service, you will be assessed a 33% collection fee. If an extended payment plan has been offered to you, we require you to make at least a monthly payment on your balance due.

I understand and fully agree that I have full responsibility to pay HARTZ Physical Therapy for all services rendered.
