# HARTZ Physical Therapy Spring Swing Charity Golf Outing

May 10<sup>th</sup>, 2024

Sunrise Session 7:30 am | Sunset Session 1:00 pm  
CROSSGATES GOLF CLUB

Spring has sprung and it's time to dust the snow off those golf clubs! The staff of HARTZ Physical Therapy is excited to announce its 3rd Annual Spring Swing Charity Scramble Golf Tournament which will take place on Friday, May 10th, 2024, at Crossgates Golf Course in Millersville. Crossgates is one of Lancaster County's best public golf courses and is sure to satisfy golfers of all handicaps. Due to the success of last year's event, we are expanding the tournament to include both a morning and afternoon session this year. **We invite you to join in the fun by becoming a sponsor in 2024.**

Once again, this year's Spring Swing event will benefit ***Off the Streets Lancaster (OTS)***, a local nonprofit organization committed to ending homelessness in our community. Imagine living in a shelter or worse, on the streets. Can you imagine not being able to provide a bed for your child to sleep in much less a safe home? That is happening to individuals and families right now in our community and homelessness numbers continue to rise in Lancaster County. Your sponsorship will allow Off the Streets to continue their work with local service agencies to identify homeless families and individuals who have the financial means to sustain rent payments, but who need assistance paying the security deposit and furnishing their home. Our staff has had the pleasure of volunteering at "moving days" and can attest to the importance of their work and the genuine appreciation from those whom they serve!

Enclosed you will find information about event sponsorship opportunities and a sponsorship remittance form. We will contact you soon to further discuss your support of the Spring Swing and can answer any questions you may have at that time.

Thank you for your consideration and support of the HARTZ Physical Therapy Spring Swing and Off the Streets.

Sincerely,

Kevin Sisbarro and Daulton Rutter  
Co-Event Directors
